Mr. John T. Campbell, Head  
BBC Monitoring Service  
Caversham Park  
Reading Berks, England

Dear John:

You might be interested to know that we have received a commendation from one of the principal offices of our Agency for remarkably prompt service by London Bureau in providing the lengthy Khrushchev Seven Year Economic Plan on 14-15 November.

This service was possible only because of the outstanding cooperation of the BBC. I have asked  to show you the commendation, and wish to express FBIS's appreciation for the BBC's excellent support in this important matter.

Sincerely,

Chief, FBIS
